DRAFT

PROPOSED MODEL RESOLUTION

Resolution regarding Traffic Pumping

Whereas, Traffic Pumping (Access Stimulation) is the artificial stimulation of switched access traffic to small rural LECs with high inter- and intrastate switched access rates partnering with free calling service companies offering “free” conference calls, adult and pornographic chat, and international calling;

Whereas, these small rural LECs collect switched access revenues from long distance carriers and share them via secret contracts with the free calling service companies;

Whereas, Traffic Pumping is a significant and growing problem within the Telecommunications industry;

Whereas, the FCC has amassed a large record on traffic pumping activities in its Traffic Pumping Notice of Proposed Rule Making and through a number of informal and formal complaints;

Whereas, the FCC stated in the National Broadband Plan that the traffic pumping business model should be curtailed in order to maintain the integrity of the intercarrier compensation regime;

Therefore, be it resolved, that ALEC encourages the FCC act expeditiously to resolve traffic pumping issues; and,

Be it further resolved, that ALEC encourages state commissions also to resolve traffic pumping issues and encourages state legislatures to ensure that current statutes do not enable or promote traffic pumping practices

Approved this _____st day of _____ 2010.

The Data Destruction and Sanitation Act

Senator Ted Kanavas (Wisconsin)

Summary:

The Data Destruction and Sanitation Act requires business entities and governmental bodies to sanitized or destroy obsolete hard or soft data containing two or more pieces of personal identifying information prior to the data's disposal or release for reuse outside the entity. The bill mitigates the risk of unauthorized disclosure of personal or private data.

[Task Force Director's Note: the sponsor is currently working on final wording for a substitute to propose at December's Task Force meeting. If the sponsor makes any proposed substitute available prior to the meeting, it will be sent to all Task Force members in a supplemental e-mail, along with an updated Task Force meeting agenda.]

Mission Statement

The American Legislative Exchange Council's mission is...

TASK FORCE OPERATING PROCEDURES**

I. MISSION OF TASK FORCES

Assume the primary responsibility for identifying critical issues, developing ALEC policy, and sponsoring educational activities which advance the Jeffersonian principles of free markets, limited government, federalism, and individual liberty. The mission will be accomplished through a non-partisan, public and private partnership between ALEC's legislative and private sector members in the specific subject areas assigned to the Task Force by the Board of Directors.

II. TASK FORCE RESPONSIBILITIES

- A. Task Forces have the primary responsibility for identifying critical issues and developing ALEC's official policy statements and model legislation appropriate to the specific subject areas of the Task Force.
- B. Task Forces serve as forums for an exchange of ideas and sharing of experiences between ALEC's state legislator and private sector members.
- C. Task Forces are responsible for developing and sponsoring the following educational activities appropriate to the specific subject area of the Task Force:
- publications that express policy positions, including, but not limited to State Factors and Action Alerts;

A funding mechanism to finance all meetings and educational activities proposed by Task Forces must be available before they can be undertaken.

III. GENERAL PROCEDURES

- A.** Requests from ALEC members for policy statements, model legislation and educational activities shall be directed by the Executive Director to the appropriate Task Force, or the Board of Directors if the issue does not fall within the jurisdiction of any Task Force. The appropriate Public and Private Sector Task Force Co-Chairs determine the agenda for each Task Force meeting, and the meetings will be called and conducted in accordance with these Operating Procedures.

The Director of Policy with the consent of the Executive Director assigns a model bill or resolution to the most appropriate Task Force based on Task Force content and prior jurisdictional history 35 days before a Task Force Meeting. All Task Force Co-Chairs will be provided an email or fax summary of all model bills and resolutions 35 days before the Task Force meeting

If both the Co-Chairs of a Task Force are in agreement that they should have jurisdiction on model legislation or a resolution, the legislation or resolution will be considered by the Task Force. If the other Task Force Co-Chairs believe they should have jurisdiction or if the author of the model bill or resolution does not agree on the jurisdictional assignment of the bill, they will have 10 days after the 35-day mailer deadline to submit in writing or by electronic appeal to the Director of Policy their intent to challenge the jurisdiction assignment. The Director of Policy will notify the Executive Director who will in turn notify the National Chair and the Private Enterprise Board Chair. The National Chair and the Private Enterprise Board Chair will in turn refer the matter in question to the Board of Directors Task Force Board Committee. The Director of Policy will establish a conference call for the Task Force Board Committee co- chairs, the author, the affected Task Force Co-Chairs and the Director of Policy at a time convenient for all participants.

The Task Force Board Committee Co-Chairs shall listen to the jurisdictional dispute by phone or in person within 10 days of the request. If both Task Force Board Committee Co-Chairs are in agreement that the Director of Policy made an incorrect jurisdictional referral, only then will the model bill or resolution be reassigned to a committee as they specify once agreed upon by the National Chair and the Private Enterprise Board Chair. The bill or model resolution is still eligible to be heard in whatever Task Force it is deemed to be assigned to as if submitted to the correct Task Force for the 35-day mailer. The National Chair and the Private Enterprise Board Chair decision is final on this model bill or resolution.

Joint referral of model legislation and/or resolutions are allowed if all the affected Task Force Co-Chairs agree. All model legislation and resolutions that have been referred to, more than one Task Force must pass the identical language in both Task Forces within two consecutive Task Force meetings. It is at the Task Force

Co-Chairs discretion how they will handle the hearings of the model legislation or resolution. Both sets of co-chairs have the ability to call a working group, subcommittee, or simply meet consecutively or concurrently if necessary.

If the Task Force co-chairs both agree to waive jurisdiction, they may do so as long as another Task Force still has jurisdiction.

The National Chair and the Private Sector Board Chair will rely upon the Task Force Board Committee Co-Chairs for advice and recommendations on model legislation or resolutions when no jurisdiction in any of the existing Task Forces in operation can be found. The Task Force Board Committee Co-Chairs will work with the Executive Director and the Director of Policy to identify public and private sector Task Force members (not alternates) from the existing Task Forces should their expertise be of assistance to the Task Force Board Committee in reaching a determination and recommendation for approval by the National Chair and the Private Enterprise Board Chair.

- B. The National Chair and the Private Sector Board Chair will rely upon the Task Force Board Committee Co-Chairs for advice and recommendations on model legislation or resolutions when no jurisdiction in any of the existing Task Forces in operation can be found. The Task Force Board Committee Co-Chairs will work with the Executive Director and the Director of Policy to identify public and private sector Task Force members (not alternates) from the existing Task Forces should their expertise be of assistance to the Task Force Board Committee in reaching a determination and recommendation for approval by the National Chair and the Private Enterprise Board Chair.
- C. The Board of Directors shall have ultimate authority over Task Force procedures and actions including the authority to create, to merge or to disband Task Forces and to review Task Force actions in accordance with these Operating Procedures. Nothing in these Operating Procedures prohibits the Board of Directors from developing ALEC policy; however, such a practice should be utilized only in exceptional circumstances. Before the policy is adopted by the Board of Directors, it should be sent to the Public and Private Sector Task Force Co-Chairs under whose jurisdiction the matter falls for review and comment back to the Board of Directors.
- D. The operating cycle of a Task Force is two years. A new operating cycle begins on January 1 of each odd numbered year and ends on December 31 of the following even numbered year. Task Force activities shall be planned and budgeted on an annual basis within each two-year operating cycle.

- F. If a Task Force is unable to develop an operating budget, the Board of Directors will determine whether to continue the operations of the Task Force. This determination will be made according to: (1) the level of membership on the Task Force, and (2) the need for continued services developed by the Task Force for ALEC.
